

United Way of York County
The Volunteer Center
2009 Wishes

GIVE. ADVOCATE. VOLUNTEER.
LIVE UNITED. 
www.unitedway-york.org

The Volunteer Center of the United Way of York County created York County Wishes to match potential volunteers with community needs. Our 2009 Wishes lists the volunteer, seasonal and material needs of local agencies. This is only a partial listing of the needs of York County organizations... many more are waiting to be fulfilled. Agencies need volunteers for many programs and services throughout the year. Please use this booklet as a resource, not only for the holidays, but also during all of next year as you look for ways to help your community.

Finding an appropriate match is simpler than you think. You can begin by browsing the following pages to find an organization with a mission you want to support. The mission statement for each agency will tell you who the organization serves and what they do. These agencies encompass a wide variety of causes and serve a diverse group of clients. All are worthy organizations needing your assistance.

The agencies are listed in alphabetical order to aid in your search. Contact names, phone numbers, emails and websites are provided where applicable. Volunteering your time and talents off-site or on-site can be very rewarding.

If you need additional information, please call the Volunteer Center at 846-4477, your volunteer resource!

Staff: Marlene Cook (846-4477) or Youth Coordinator (771-3822)

The Volunteer Center is a program of the United Way of York County, funded in part by the York County Board of Commissioners.

Type of agency: (purpose or mission statement)

A non-profit volunteer organization dedicated to helping low income families become owners of modest, affordable homes by committing to rehabilitate older homes or construct new ones. Habitat for Humanity is an ecumenical Christian organization that works with anyone willing to help provide decent and affordable housing for God's people in need.

Volunteer Needs: Volunteers are needed for new construction during the summer and re-habilitation work on homes year-round. We also have five standing committees always looking for committed volunteers to help plan and organize our work. These include Building and Site Selection, Development, Family Services, Special Events and Faith Relations.

Seasonal Volunteer Needs/Events: Throughout the year, York Habitat participates in different volunteer fairs and community events, where we set up displays and we are always looking for volunteers to help prepare for and staff these events

Minimum Age: Volunteers must be at least 16 years of age to work on the construction site; those 16-18 years old must have a minor release form signed by their parent and brought with them to the construction site each day they work; all other volunteers must sign a release form, on the site, the day they volunteer

Material Needs: LCD projector, office desks, computer desk chairs, file cabinets, literature and brochure wall racks, construction tools: such as hammers, levels, nail aprons, chalk lines, t-squares, razor-blade cutters, etc.
